Diagram illustrating the relationship between two sets of symbols, likely representing a mapping or transformation:

Left side: A square containing a downward arrow, followed by a circle, then a crown with an upward arrow, then a square containing a heart, then two triangles connected by a horizontal line.

Middle: A double-headed arrow ( $\leftrightarrow$ ).

Right side: A square containing a downward arrow, followed by a circle, then a crown with an upward arrow, then a heart with a rightward arrow, then a square containing a downward arrow, then two identical human figures, then two triangles connected by a horizontal line, then a square, then a circle, and finally a double quote mark.
